Memorandum/Comments on the Proposed Revisions to 45 CFR Part 1614

COMMITTEE ON LEGAL AID

July 2, 2014

We submit this memo on behalf of the New York State Bar Association's Committee on Legal Aid to express our support for the adoption of many of the proposed substantive

revisions to the Legal Services Corporation's (LSC) Uniform Minimum Standards (UMS)

We also support the proposed amendment which would reverse the requirement that individuals receiving direct services through pro bono providers must be accepted as clients of the LSC grantees in order for the LSC grantees to count these activities toward their DAI requirement. We believe that this change will allow LSC grantees to have more
